8.1. Times and Venues

Friday, 20th September 2019 – Teagle's Quarry, Millicent 5:30pm – 8:30pm

Documentation will open at 5:00pm. Scrutiny on vehicles will be carried out between 5:30pm and 8:30pm. Vehicles must be presented as competition ready; i.e. with spare wheels, competition numbers fitted etc. Competition apparel is required to be presented at Scrutiny. Limited Scrutiny will be provided on Saturday 20th September 2019, subject to prior appointments being made with the Chief Scrutineer, Wayne Scott.

Once scrutiny is complete, all vehicles will be held for display until 8:30pm on Friday 20th September 2019 (weather permitting).

8.2. Documentation

The following documentation will be checked prior to scrutiny: AASA Off Road Racing licence or approved equivalent: Vehicle Passport or Log Book, civil driving licences (where required), club membership cards and Entrant (if not the driver) licences (if applicable).

Nominations for the Element Off Road AORRA South Australian Off Road Racing Championship must be completed online www.arboffroadracing.com.au by the close of documentation.

9. COMPETING CREW BRIEFINGS

Briefings for competing crew will be conducted on **Saturday 21st September 2019 at 8.00am (sign on from 7.45am)**, prior to the prologue, and on **Sunday 22nd September 2019 at 7.15am (sign on from 7.00am)** before the event proper. Briefings will take place at Event Headquarters.

Attendance at each crew briefing by each entered crew member is compulsory and each competing crew member is required to sign on. Cases of non-attendance may result in a penalty.

10. RUNNING DETAILS

10.1. General

The venue for the event will be Teagle's Quarry, Princes Highway, Millicent. The event will consist of a Prologue and then 4 laps of the 6km Short Course on Saturday in heats, then 6 laps of the 60km Long Course on Sunday. The surface of which is sand, clay, mud, forest tracks and unsealed district roads.

10.2. Reconnaissance

Reconnaissance will be undertaken in a 4x4 vehicle registered for road use (due to the inability to close public roads for this section of the event). Competitors who do not have access to a suitable road vehicle may make an application to the organisers no later than 7 days prior to the event to be transported over the competition course during reconnaissance as arranged by the organiser.

Crews will be given the opportunity to reconnoitre the competition track – only 1 vehicle per competition car. Line up commences at 2.00pm and closes at 2.30pm on Friday 20th September 2019. No vehicle will be permitted to commence reconnaissance after the Sweep Vehicle leaves at 2.30pm.

The maximum speed for reconnaissance shall be 80km/h. **This will be monitored and enforced.** A competitor or crew found to have exceeded the 80km/h speed limit will be charged and a penalty of up to and including exclusion will be recommended. No vehicle is to pass the lead vehicle.

Reconnaissance of the prologue course for competition vehicles opens at 8.45am on Saturday 21st September 2019 and closes at 9.00am in full race apparel.

Reconnaissance of the prologue course for non-competition/road registered vehicles opens at 9.00am on Saturday 21st September 2019 and closes at 9.15am.

Each occupant of a vehicle undertaking reconnaissance **MUST** wear a seat belt.

10.3. Prologue

The Prologue will be held on Saturday 21st September 2019 starting at 10.00am. The length of the Prologue will be approximately 6 kilometres.

Competitors will start the prologue in an order determined by the organisers on the basis of anticipated speeds, prologue start times will be emailed to competitors prior to the event and displayed at Scrutiny.

Competitors not finishing the prologue will be seeded into the start order for the Short Course.

If a competitor is yellow flagged during prologue you will be provided with the option to rerun prologue.

11.4 Short Course

The Short Course will commence at 12:00noon. Competitors will be assigned to a heat based on the Prologue results with any seedings.

Competitors who fail to start in their assigned heat will not be permitted to start in another.

Time allowed for each heat will be 30 minutes from your start time. Competitors may return to the pits via the designated access track, repair and restart the lap they came in on.

Each heat group must be lined up on the dummy grid prior to the completion of the running heat.

Competitors will start in pairs at 30 second intervals.

Penalties will apply to anyone who short cuts the course. This will be at the discretion of the Clerk of Course.

Competitors not finishing the Short Course may apply to be seeded into the start order for Sunday. Closing time for Seeding Applications is 5:00pm Saturday 21st September 2019.

11.5 Long Course

Sunday's competition will commence at 8:30am.

The start order will be slowest to fastest and determined by each competitors quickest single lap from Saturday's laps (including the Prologue).

Competitors will start in pairs at 1 minute intervals. The 6 laps will be run as 3 laps then a 45 minute service break, and then the final 3 laps.

On the completion of the first 3 laps, each competitor will be given a "Time out card" with their start time for the next section. It is the competitor's responsibility to report to the "Start" area before their start time.

If a competitor is not in their starting position by the due time out, they will be booked out on that lap at the specified time, unless, at the absolute discretion of the Clerk of Course, circumstances beyond the control of the competitor warrant the allocation of a new start time.

Time allowed for the 6 laps will be 7 hours from each competitors start time, including the service breaks time.

11.6 Course Marking

Examples of all signs used throughout the course will be comprehensively displayed at the competitors briefing.

11.7 Passage Controls

Competitors will not be required to stop at any passage control unless instructed by an official, or unless stopping to report an incident.

- Tow vehicle stickers must be placed on the service vehicles on the driver's side widescreen where it won't impair the driver's visibility.

Breaches of these regulations may result in a penalty.

15 VEHICLE ELIGIBILITY

Refer to AASA Vehicle eligibility criteria and classes

Forward facing numbers shall be fixed to the top right hand corner of the vehicle's sun visor and be 75mm in height or located on bonnet and 'must be visible for officials when lining up cars'.

16 GENERAL

16.1 Recovery

Recovery will be provided during the running of the event by the official recovery vehicles only. **No person/s other than authorised officials will be permitted on the course, any crew wishing to enter the course must have written permission from the Clerk of the Course or the Assistant Clerk of the Course.** Recovery vehicles will be identified by a white flag attached to the vehicle.

Crew members of a disabled vehicle are required to stay with their vehicle until they are recovered. If able to be towed, the vehicle will be taken by the recovery vehicle to the nearest access point.

If unable to be towed, the vehicle will be moved to a safe position off the course and the crew taken by the recovery vehicle to the next passage control. Under these circumstances the vehicle will not be recoverable by the crew until after the completion of the day's competition. The recovery of a vehicle by a service crew may only be carried out with the written permission of the Clerk of the Course.

The official recovery crew will list each vehicle and the location from which they can be collected by teams and have this information transmitted to the Event Headquarters, where the details will be further transmitted to the service crew. Under no circumstances are competitors or crews to organise their own recovery requirements without first obtaining the written authority of the Clerk of the Course or one of the Assistant Clerks of the Course to do so.

16.2 Sweep Vehicle

A sweep vehicle will follow as closely as possible to the last running vehicle. If it is deemed by the official in charge of the sweep vehicle to be unlikely that a competitor will reach the next passage control before the close down times that official will issue to the competitor a "Retirement Notice" which will retire that vehicle from the event. The crew of that vehicle is then to wait for the recovery vehicles to escort it to the nearest access point and the competitor's service crew will be advised that a Retirement Notice has been issued. The official in charge of the sweep vehicle will be the sole arbiter of whether the vehicle is likely to reach the next control before it closes, and his decision shall be final and not subject to protest.

16.3 Incident Reports

Each competitor will be supplied with two incident Report Sheets. In the event of an accident, or a competing vehicle becoming disabled, other than temporarily, one crew member from that vehicle must complete, as soon as possible, and Incident Report. Navigators must carry a pen or pencil for this purpose.

The Incident Report must be then handed to the crew of the next competing vehicle to arrive on the scene, and this vehicle must stop and receive the incident report. Crews are not required to wait while verbal messages are given.

In the event of an incident where physical injury has occurred or appears to have occurred, time may be allowed at the Clerk of the Course's absolute discretion to one or more of the following vehicles if they have stopped to render assistance. Any such claim for time allowed must be lodged within the time permitted for lodging protests, in writing, with the Clerk of the Course, and must be substantiated by a crew member from another vehicle or by an official.

No claim for time will be allowed other than in accordance with the above, or unless a vehicle is held by an event official and the time held is official recorded.

Vehicles which are involved in an accident involving damage shall be re-examined by the Chief Scrutineer or his delegate before being permitted to take further part in the competition. Any property damage is to be reported to the Clerk of the Course as soon as possible.

16.4 Judges of Fact

All officials will be deemed Judges of Fact with regard to whether or not a vehicle follows the prescribed course, relative order, time of arrival, direction of travel, direction of entry into controls, start procedure, jumping the start and track deviation/short cutting
